Re: Continued Hearing on Request to Vacate Position Statement #20 - July 20, 2012

Dear Mr. Marquand and Members of the Board of Medical Examiners:

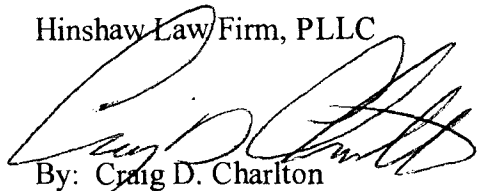

This letter is submitted regarding the upcoming hearing on Position Statement No. 20, which was continued from May 7, 2012. My client will be relying on the entire Board record, but with a focus on the documents listed below:

1. Summary of Legal Arguments Requiring Position Statement No. 20 to be Vacated as a Matter of Law (enclosed);
2. My letter to the Board dated May 2, 2012 (previously submitted and enclosed herewith);
3. Memorandum Re: Revised Position Statement No. 20, dated May 2, 2012 (previously submitted and enclosed herewith); and
4. (Proposed) Order Vacating Position Statement No. 20. (enclosed)

My client requests twenty minutes for oral argument (opening and reply) on this matter.

Yours truly,

Hinshaw Law Firm, PLLC
