Subject: Death with Dignity Act

Thank you for answering my prior questions about Oregon's death with dignity act.

I have these follow up questions:

1. Would your office release copies of completed reporting forms, e.g., a doctor's completed "Oregon Death with Dignity Act Attending Physician Follow-up Form," in response to a civil subpoena?
2. Would your office release copies of completed reporting forms in answer to a request by law enforcement?
3. Would your office confirm to law enforcement whether a person had in fact died under Oregon's Death with Dignity Act?
