III. THE BILL . . . . . 5

    A. "Eligible" Patients May Have Years, Even Decades, to Live . . . . . 5

        1. If new Jersey follows Oregon's interpretation of "terminal disease," assisted suicide will be legalized for people with chronic conditions such as diabetes . . . . . 5

        2. Treatment can lead to recovery . . . . . 7

        3. Predictions can be wrong . . . . . 7

    B. How the Bill Works . . . . . 8

    C. Specific Problems with the Bill . . . . . 8

        1. No witnesses at the death . . . . . 9

2.	Adding witnesses will not fix the problem . . . . .	10
3.	Witnesses can be coercive . . . . .	10
4.	The patient's heir is allowed to be a witness on the lethal dose request form . . . . .	11
5.	Someone else, even a stranger, is allowed to speak for the patient during The lethal dose request process . . . . .	12
6.	The term, "self-administer," allows someone else to administer the lethal dose to the patient . . . . .	13
7.	A2270 legalizes euthanasia, physician-assisted suicide and assisted suicide generally . . . . .	14
8.	A2270 does not prohibit involuntary administration of the lethal dose . . . . .	15
9.	A patient may not have the ability to rescind . . . . .	16
10.	A2270 lacks transparency and accountability . . . . .	17
	a. Record keeping is private . . . . .	17
	b. The cause of death is falsified . . . . .	17
	c. The Division of Consumer Affairs is without power to investigate other than to "request" a report; No disclosure of identifying information is permitted . . . . .	18
	d. If New Jersey follows Washington State's interpretation of language similar to A2270, death investigations by the Medical Examiner will be eliminated other than to certify the death as "Natural" . . . . .	18

IV.	THE OREGON AND WASHINGTON EXPERIENCE . . . . .	20
	A. Any Study Claiming that Oregon's Law is Safe, is Invalid . . . . .	20
	B. Legal Assisted Suicide Allows Health Care Providers and Insurers to Steer Patients to Suicide . . . . .	20
	C. Compassion & Choices' True Agenda is the Promotion of Managed Care with Less Choice for Individual Patients . . . . .	21
	D. Oregon's Annual Report for 2013 is Consistent with Elder Abuse and the "Barbara Wagner" Scenario . . . . .	22
	E. In Oregon, Other (Regular) Suicides Have Increased with Legalization of Physician-Assisted Suicide; the Financial Cost is "Enormous" . . . . .	23
	F. Legal Assisted Suicide can be Traumatic for Patients and Their Families . . . . .	25
	1. The Swiss study . . . . .	25
	2. My cases involving the Oregon and Washington assisted suicide laws . . . . .	25
	G. Pain is not the Issue . . . . .	26
