Derek Humphry to be Keynote Speaker at 2011 Annual Meeting

This year our keynote speaker will be Derek Humphry, the author of *Final Exit* and the founder of the Hemlock Society USA in 1980. Derek is generally considered to be the father of the modern movement for choice at the end of life in America.

Derek is a British journalist and author who has lived in the United States since 1978, the same year he published the book *Jean's Way* describing his first wife's final years of suffering from cancer and his part in helping her to die peacefully. The public response to the book caused him to start the Hemlock Society USA in 1980 from his garage in Santa Monica. Years later, the Hemlock Society would become End of Life Choices and then merge with Compassion In Dying to become Compassion & Choices.

In 1991 he published *Final Exit*. Much to his surprise, it became the national #1 bestseller within six months. Since then it has been translated into 12 languages and is now in its fourth edition.

Although not affiliated with – and sometimes even at odds with – Compassion & Choices, Derek is still actively involved in the movement. Always interesting and sometimes controversial, Derek will provide our supporters and their guests with his perspective about the evolution of the movement for choice at the end of life in America.
